

GOLF FOR GREENVILLE

FLUOR[®]

Fluor is pleased to announce the 34th annual Golf for Greenville charity golf tournament that will be held on Monday, May 5, 2025, in Greenville, South Carolina. The traditional Pairings Party will be held on Sunday, May 4, 2025, at the historic Westin Poinsett Hotel, and the Supplier Trade Show is scheduled to take place Tuesday, May 6, 2025, at Fluor's Greenville campus. We hope to see you there!

In 2025 Golf for Greenville is proudly supporting three upstate South Carolina charities: Greenville Tech Foundation, FIRST South Carolina, and Conestee Nature Preserve. While Fluor's core business focuses on designing, constructing, and maintaining complex and challenging capital projects across the world, the company is proud to give back to the local Greenville community by hosting Golf for Greenville. Golf for Greenville was developed and founded by Fluor employee volunteers in 1989. Since its inception, this employee-led initiative has had a strong impact on the Greenville community, raising more than \$8 million to assist community organizations.

In 2024, Golf for Greenville was able to donate more than \$700,000 to Center for Developmental Services, Roper Mountain Science Center, Meals on Wheels, and Emmanuel's Hammer. This was made possible due to the countless hours volunteered by our committees and the incredible support of our sponsors.

With your help, we can make an even bigger impact for deserving charitable agencies in 2025!

A Golf for Greenville volunteer will be contacting you soon with more information about this event. If you have any immediate questions regarding a sponsorship or about Golf for Greenville, please contact any of the individuals listed below. To learn more about the tournament and other Golf for Greenville events, please visit <http://www.golfforgreenville.org>.

Thank you for your consideration, and we look forward to seeing you at Golf for Greenville as we celebrate 34 years of giving back to the Greenville community.

 - Lunch service in the cafeteria
 - Awards and prizes

1. HOW DO I REGISTER AS A SPONSOR?

Please visit <https://www.golfforgreenville.org/> to register. Registration is quick and easy!

Note: All payments for the event must be received by April 8, 2025.

2. HOW DO THE PAIRINGS WORK FOR THE TOURNAMENT?

The golfer pairings are based on the overall number of spots available within the package level. For example, a package that includes four golfers can be used in the following ways:

- ▶ Four company representatives in one foursome
- ▶ Three company representatives and one Fluor employee in a foursome
- ▶ Two company representatives and two Fluor employees in a foursome

The tournament player slots may be used however you see fit at no additional cost.

If the number of company representatives attending the event is the same as the number of golfers in the sponsorship package, and no additional Fluor spots are purchased, then there is no guarantee that a Fluor representative will be included on the sponsor's team.

If your representatives want to be placed on separate teams, please notify the Golf for Greenville team before April 1, 2025. Otherwise, all company representatives will be assigned to the same team.

3. HOW CAN I GET A FLUOR GOLFER ON MY TEAM?

Sponsors can get Fluor golfers on their team in one of two ways:

- ▶ Reach out to Fluor employees independently and request that the employee join your foursome. We encourage sponsors to personally invite Fluor employees to be part of their team.
- ▶ Request a Fluor employee by reaching out to your sponsorship point of contact. The Golf for Greenville team keeps a list of available Fluor golfers on hand, and we are more than happy to help you find an appropriate person to pair with (subject to availability).

4. HOW DOES THE ADD-A-PRO OPTION WORK?

The new Add-a-Pro option allows for a sponsor to purchase a professional golfer for their team. The professional will join the sponsor's team as a fifth golfer with all golfers on the team playing Captain's choice. The Pro List for Golf for Greenville will not be finalized until April 2025, but sponsors that choose the Add-a-Pro option will be able to choose the pro of their choice on a first reserved, first pick basis. We are expecting 10 professional golfers. If all professionals are reserved before the Pairings Party, there will be no professional golfers auctioned off at the event.

Any celebrities who participate in this year's event will be auctioned off at the Pairings Party.

5. HOW DO I GET RENTAL GOLF CLUBS?

Rental clubs can be specified during the player registration process. There is an additional fee of \$150 for rental clubs. Note: All rental clubs must be requested by April 1, 2025.

6. CAN I ADD ADDITIONAL REPRESENTATIVES TO THE SUPPLIER TRADE SHOW?

Sponsors can add additional representatives to the Supplier Trade Show for \$500 each.

7. HOW DO I DONATE ITEMS TO THE TOURNAMENT THAT CAN BE INCLUDED IN THE GOODIE BAGS, PAIRINGS PARTY SILENT AUCTION, OR THE SUPPLIER TRADE SHOW?

If you would like to donate items and giveaways for us to add to the gift bags, Supplier Trade Show, or the Pairings Party auction, please let your sponsorship point of contact know. It is a great way to advertise, and donations are greatly appreciated.

8. GOODIE BAGS

Giveaways must be delivered to Fluor by April 12, 2025, and the sponsor will need to include 450 items to make sure there are enough for each participant.

9. WHAT GOLF COURSES ARE INCLUDED IN THE EVENT?

We are proud to partner with The Cliffs at Glassy, The Cliffs at Keowee Vineyards, The Carolina Country Club, (Cherokee Valley), all of which will be utilized for the tournament.

10. IS A HOTEL ROOM BLOCK AVAILABLE FOR THE GFG EVENTS?

A room block is available at the Westin Poinsett and can be accessed under the Accommodations tab on our website: www.golfforgreenville.org.
